How Will My Services Be Affected?

Telephone, hydro, water, cable TV, sewer and gas services should not be affected by the construction, barring any unforeseen circumstances.

The Contractor shall continue to collect garbage and recycling containers on those blocks that are closed to vehicular traffic. Please set your containers in front of your business by 6:30 A.M. on your regular garbage days. Please **clearly** label your containers with your address, business name, etc. so that the containers can be returned to you.

Safety

Georgian Paving & Construction is required to conduct the work in a safe manner, including delineation of the work area, etc. with the use of traffic cones, caution tape, construction fencing, etc. To expedite construction activities and to ensure public safety the contractor may temporarily close and/or move mid block crossings. Temporary inconveniences to business access may also result during sidewalk construction.

The Contractor is required to leave the site in as safe condition as possible for the week ends, over night and Holidays. However, we ask that you take extra caution during these periods to ensure everyone's safety.

Who Do I Call If I Have a Problem?

The "Project Supervisor" (Construction) will respond to public inquiries related to this project. You may call or email the Project Supervisor at any time.

The Contractor has set up a site office on Huronario St. that is open Monday to Friday, 8:00 A.M. to 5:00 P.M.

The Contractor's phone numbers and site office address are provided below.

A 24/7 emergency phone number is also provided below but should only be used in emergency or other critical situations.

R.J. Burnside & Associates Limited is administering the project on behalf of the Town. If you have any questions regarding the construction, you may also call a Burnside representative, during the hours of 8:00 A.M. to 5:00 P.M., Monday to Friday, and your call will be responded to as soon as possible.
