

Candidate for Collingwood BIA Board Member

Peggy Vomvolakis

I am a local resident, Commercial Property owner (79, 91 & 93 Hurontario Street) and Business partner (Prime Seven Nine Restaurant) with a vested interest in the marketing and promotion of the thriving Downtown Core of Collingwood. My past experience includes a five year tenure as a membership of the Beautification Committee of the Danforth BIA in Toronto. I am currently involved with the management team of Tholos Restaurant (12 yrs), with an in-depth knowledge of the financial requirements in managing financial budgets and expenditures of organizations. I will bring many fresh, marketing and event ideas and draw from my previous experiences in working with the Danforth BIA Board, along with a vision to preserve and enhance the vibrancy of our beautiful Down Town core.
