How To Play!

Pick up a scorecard from any participating restaurant or download from collingwooddowntown.com

Patio Poker will run from Tuesday, September 8th to Wednesday September 30th

1. Dine at any of the great restaurant patios listed on the scorecard.
2. Scorecards will be available by either download or picked up at participating restaurants. When you are ready to play Patio Poker, the server will fan the deck of cards provided and you will point to your card.
3. Each box indicates a participating restaurant patio. You can only draw one card per location per scorecard per visit and scorecards cannot be combined.
4. The server will put an "X" in the appropriate box for the suit of the card drawn. The server writes in the numeral or letter of the card drawn and initials the circle.
5. Fill in as many boxes on the score sheet as you can during the month of September.
6. Make the best poker hand that you can win with the cards on your scorecard.
7. Completed scorecards can be dropped off at any participating restaurant.

The best poker hand at the end of September will be announced by the BIA and the winner will receive a \$50 gift card from each participating restaurant!
